The Issuer may also, at its option, cancel the Distribution which would otherwise have been payable on such Distribution Payment Date, where the right of the holders of the Capital Securities to receive such Distribution shall be lost and the Issuer shall have no obligation to pay the holders of the Capital Securities the Distribution which would otherwise have been payable on such Distribution Payment Date. If the Issuer does not make a Distribution on the relevant Distribution Payment Date (or if the Issuer elects to make a payment of a portion, but not all, of such Distribution), such non-payment or part-payment shall serve as evidence of the Issuer's exercise of its discretion to cancel such Distribution (or the portion of such Distribution not paid), and accordingly such Distribution (or the portion thereof not paid) shall not be due and payable.

If practicable, the Issuer shall provide notice of any cancellation of Distribution (in whole or in part) to the holders of the

Capital Securities of the Capital Securities on or prior to the relevant Distribution Payment Date. If practicable, the Issuer shall endeavour to provide such notice at least five (5) business days prior to the relevant Distribution Payment Date. Failure to provide such notice will not have any impact on the effectiveness of, or otherwise invalidate, any such cancellation of Distribution, or give the holders of the Capital Securities any rights as a result of such failure.

- (iii) an Optional Distribution (as defined below) has, at the option of CIMB Bank and subject to BNM's approval, been paid to all holders of the Capital Securities equal to, (without duplication of amounts previously paid to the holders of the Capital Securities) amounts outstanding (if any) on the Capital Securities which were scheduled to be paid in the 12 months before the date of payment of the Optional Distribution.

Such write off shall not constitute an event of default or enforcement event, nor would it trigger a cross-default under any other outstanding Capital Securities.

A Non-Viability Event shall be deemed to have occurred on the day on which the Issuer or CIMBGH Group (as the case may be) received the notification from the

Relevant Malaysian Authority.

Upon the occurrence of a Non-Viability Event, the Issuer is required to give notice to the holder of the Capital Securities (via the Trustee) and the Rating Agency, if applicable, in accordance with the terms of the Capital Securities, then as of the relevant write-off date:
